

THE SCHOOLS OF ALACHUA COUNTY

The University High School of
Gainesville is Flourishing.

OVER 430 PUPILS ENROLLED

New Pupils Added Every Day—One
Hundred and Thirty in the High
Grades—More Room and Another
Teacher Wanted.

The University High School of this
city is making rapid strides and it is
thought it will be better this winter
than ever before. Under the ruling of
the Bockman bill law there has been a
new life instilled in the high school,
and at the present time there are 120
students in the higher grades, with a
prospect of a much larger number be-
fore the close of the term. According
to the books in the hands of Superin-
tendent Kelley there were 400 pupils
in the schools last year, while at the
present time there are 450 enrolled,
and each day brings more.

An inspection of the several rooms
will convince one that there is need of
more room in order to overcome the
congested condition of the various de-
partments. It would seem as though
the cloak room could be made smaller
and the room thus gained be used to
good advantage in making sittings for
the scholars. If the pupils continue
to increase each year as they have in
the past two years, a new school house
will be the next thing to be supplied.

There is need of one more teacher
in the city schools, who would enable
our corps of instructors to carry on the
work more satisfactorily and with ad-
vantage to the pupils. With this one
addition to the schools there is no de-
nying the fact that the Gainesville
University High School would be one
of the best in the State.

In the County.

Nearly all the schools in the county
are now working nicely, except pos-
sibly six or eight that were open dur-
ing the summer, which have not yet
started. Two have no teachers at
present, but it is expected they can be
readily supplied.

County Superintendent Kelley is de-
voting his careful attention to the
school system of the city and county,
and there is every reason to believe
that he is meeting with the most flat-
tering success in his efforts. He is
putting in much valuable time to-
ward the work.

How Is Your Heart?

Is your pulse weak, too slow,
too fast, or does it skip a beat?

Do you have shortness of
breath, weak or hungry spells,
fainting, smothering or choking
spells, palpitation, fluttering,
pains around the heart, in side
and shoulder; or hurt when
lying on left side?

If you have any of these
symptoms your heart is weak
or diseased, and cannot get
better without assistance.

Dr. Miles' Heart Cure
strengthens weak hearts, and
rarely ever fails to cure heart
disease. Try it, and see how
quickly you will find relief.

"About January 1st, 1902, I took
down with weakness and dizziness,
and gradually grew worse. I was told
by my family physician that my case
was hopeless. My neighbors and fam-
ily had given me up to die. My
limbs and body were swollen to one-
third larger than normal size, and
water had collected around my heart.
For at least three months I had to sit
propped up in bed to keep from smother-
ing. I sent for five bottles of Dr.
Miles' Heart Cure, and by the time I
had taken them all I was entirely
cured. I feel better than I have for
twenty years, and I am able to do
any kind of work on my farm. My
attending physician told me that if it
hadn't been for Dr. Miles' Heart Cure
I would now be in my grave."

L. T. CURR, Wilmore, Ky.

Dr. Miles' Heart Cure is sold by
your druggist, who will guarantee that
the first bottle will benefit. If it fails
he will refund your money.

MELROSE MELANGE.

Death of an Old Resident—Lee Good-
son Appointed Deputy Sheriff.

Melrose, October 10.—John A. Good-
son, a life-long resident of Melrose, after
a few weeks' illness, died on Friday
morning, leaving a widow and eight
children to mourn his death. Not-
withstanding the showery weather,
quite a large gathering of friends was
present at the funeral on Saturday af-
ternoon, Rev. T. J. Sistrunk officiating.
At the recent wet and dry election
for Clay county the Melrose precinct
went 16 dry to 1 wet.

Mrs. W. H. Oorpew and son have re-
moved to Miami.

Lee Goodson has accepted the posi-
tion of deputy sheriff for Putnam county
and will move his family to Palatka
next week.

Among those recently returned
from the North are Mr. and Mrs. O. D.
Kent, W. E. Price and Ool. Yearwood.

At the regular monthly council
meeting only routine business was
transacted. The attention of the citi-
zens is called to the mayor's proclama-
tion in regard to the cleaning up of
their sidewalks.

T. Burt and family have rented the
Conyers house in East Melrose.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes,
June 14, 1902: "I want to tell you I
believe Ballard's Snow Liniment saved
my life. I was under the treatment of
two doctors, and they told me one of
my lungs was entirely gone and the
other badly affected. I also had a lump
on my side. I don't think that I could
have lived over two months longer. I
was induced by a friend to try Ballard's
Snow Liniment. The first application
gave me great relief; two fifty cent
bottles cured me sound and well. It is
a wonderful medicine and I recommend
it to suffering humanity." Sold by W.
M. Johnson.

TRAGEDY AT MOTHER'S BIER.

Difficulty Between Members of Family
Over Dead Body of Parent.

Hastings, Neb., Oct. 10.—Over the
dead body of his mother, John Buden-
ick shot himself, his sister, his brother
and brother-in-law. The latter two
are in a dying condition. The shoot-
ing was the culmination of a family
quarrel that had existed for years.

Mrs. Budenick was staying at the
home of her daughter, Mrs. Peter Sme-
all, and because of the family trou-
ble her son, John, was not permitted
to see her during her illness.

When John heard of his mother's
death, last night, he entered the house
shortly after midnight and found the
entire family surrounding the corpse,
watching the undertaker prepare the
remains. Advancing to the corpse
John placed his hands on the lifeless
body and said: "This is my mother." His
sister, Frances, said something in
Polish, whereupon he struck her. Then
he drew a revolver and shot his sister.
Before he could be overpowered he
shot his brother, Jacob, and brother-in-
law Peter Smeall. Budenick is in jail.

Astonishing Incident.

It was, to all her friends, an aston-
ishing incident that Mrs. I. B. Hunt of
Lime Ridge, Wis., was cured of her
dreadful sickness. "Doctors," she
writes, "had given me up; friends
were ready to bid me the last farewell;
clouds of despair darkened my horizon,
and I was a wreck on the shores of des-
pondency, when I began to take Elec-
tric Bitters for my frightful stomach
and liver complaint. To the astonish-
ment of all, I was benefited at once
and am now completely and miracu-
lously restored to health. At all drug
stores; price 50c; guaranteed.

Protection for Policy Holders.

Chicago, Oct. 10.—A dispatch to the
Record-Herald from Jefferson City,
Mo., says that Governor Folk last night
received a telegram from Thomas W.
Lawson asking him to accept a place
with other governors on a protective
committee for the policy holders, to
demand restitution of money by the
Mutual, New York Life and Equitable
companies, and to "punish guilty offi-
cials." The governor is very busy
and probably will not be able to accept
the position.

Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes:
"After doctoring for two years with
the best physicians in Waynesburg,
and still getting worse, the doctors ad-
vised me if I had any business to at-
tend to I had better attend to it at
once, as I could not possibly live
another month as there was no cure
for me. Foley's Kidney Cure was rec-
ommended to me by a friend, and I
immediately sent my son to the store
for it, and after taking three bottles I
began to get better, and continued to
improve until I was entirely well." J.

Tired, Nervous Mothers

Make Unhappy Homes—Their Condition Irritates
Both Husband and Children—How Thousands
of Mothers Have Been Saved From Nervous
Prostration and Made Strong and Well.

A nervous, irritable mother, often on
the verge of hysterics, is unfit to care
for children; it ruins a child's disposi-
tion and reacts upon herself. The
trouble between children and their
mothers too often is due to the fact
that the mother has some female weak-
ness, and she is entirely unfit to bear
the strain upon her nerves that govern-
ing children involves; it is impossible
for her to do anything calmly.

The ills of women act like a firebrand
upon the nerves, consequently nine-
tenths of the nervous prostration, nerv-
ous despondency, "the blues," sleep-
lessness, and nervous irritability of
women arise from some derangement
of the female organism.

Do you experience fits of depression
with restlessness, alternating with
extreme irritability? Are your spirits
easily affected, so that one minute you
laugh, and the next minute you feel
like crying?

Do you feel something like a ball rising
in your throat and threatening to
choke you; all the senses perverted,
morbidly sensitive to light and sound;
pain in the ovaries, and especially
between the shoulders; bearing down
pains; nervous dyspepsia, and almost
continually cross and snappy?

If so, your nerves are in a shattered
condition, and you are threatened with
nervous prostration.

Proof is monumental that nothing in
the world is better for nervous prostra-
tion than Lydia E. Pinkham's Vegeta-
ble Compound; thousands and thou-
sands of women testify to this fact.

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Production of Cotton in 1904-05.

Washington, Oct. 10.—The census
bureau's report today shows the pro-
duction and distribution of the cotton
of the United States available between
Sep. 1, 1904 and Sep. 1, 1905, to be
4,465,994 bales. Of this amount about 61
per cent was exported, 30 per cent was
used in domestic consumption, leaving
a surplus of 9 per cent. The domestic
consumption includes 36,776 bales de-
stroyed by fire.

Special Commissioner Returns.

New York, Oct. 10.—Judge W. J.
Oalhoum, who went to Venezuela sever-
al months ago as a special commis-
sioner representing the United States gov-
ernment, returned to New York today
on the steamer Caracas. He will go
to Washington today.

May be Mr. Bryan may accept the
position of King of Sweden, if he hap-
pens around that way, to fill vacancy.
